PRESS RELEASE

Versatile Security and Grama Announce Partnership

Versatile Security and Grama announce a partnership that makes vSEC:CMS available to Grama's current and future customers in the Spanish region.

Stockholm, Sweden, August 22ⁿᵈ, 2014 – Versatile Security Sweden AB announces a new partnership with Grama, a value added reseller based in Asturias, Spain. Through the partnership, the market leading smart card management system vSEC:CMS from Versatile Security is offered to Grama's customers in the Spanish region.

"We are proud to work closely with Versatile Security along the Spanish market, presenting their top solutions to manage smart cards and identities. Our mission is to cover all needs of our customers with leading digital security software like vSEC:CMS and vSEC:ID," said Luis Reina, COO, Grama.

"We see a lot of interest in enterprise security and credential management from the Spanish market. With Gramas' impressive track record and proven expertise I am sure that we together can quickly convert this interest into fantastic success stories," said Joakim Thorén, CEO, Versatile Security.

About Grama

Grama is a global provider of graphic communication and digital security. With over 25 years of experience, Grama combines the finest tradition of the graphic arts with the most advanced technological research.
