Follow the links below to learn more and download the software today:

CNET: [http://download.cnet.com/mac/versatile-security/3260-20\\_4-10121007.html](http://download.cnet.com/mac/versatile-security/3260-20_4-10121007.html)

Brothersoft: [http://publisher.brothersoft.com/versatile-security-sweden-ab\\_137887.html](http://publisher.brothersoft.com/versatile-security-sweden-ab_137887.html)

“Versatile Security's smart card software products shall be available to everyone. Our products are market leading and the best way to prove that is to make the products easily downloadable.” said Per-Anders Fjärdsäter, CEO and President at Versatile Security.

## About Versatile Security

[Versatile Security](#) is a leading IT solutions provider in the identity and access management space with focus on easy deployment of smart cards with innovative smart card management systems. The company's customers are typically organizations that demand high security and ease of use. State of the art solutions enable the customers to securely authenticate, issue and manage user credentials, such as smart cards, more cost efficiently than other solutions on the market.

Versatile Security's mission is to provide solutions that are affordable and easy to integrate, thus allowing organizations of all sizes to implement high levels of security. First class support, maintenance, and training is also offered. Customers include: HSBC, Tieto, Centric, Raiffeisenbank, TradeRiver, European Commission, Svensk Exportkredit and IKEA.

The products and services can be bought and delivered worldwide by use of an extensive reseller network and through the Versatile Security web site: <http://versatilesecurity.com>
