Versatile Security and SoftNet Announce Partnership

Versatile Security and SoftNet announce a brand new partnership to bring the vSEC:CMS smart card management system to the Romanian market.

Stockholm, Sweden, January 28, 2013 – Versatile Security Sweden AB announces the partnership with SoftNet. Through the partnership, the market leading smart card management system [vSEC:CMS T-Series](#) from Versatile Security is offered to SoftNet’s enterprise customers in Romania.

“We are proud to have Versatile Security as our partner. Versatile Security solutions help us provide premium smart cards management services to our smart card customers.” said Daniel Floruta, Director of IT services at SoftNet.

“We are very excited about our new partnership with the SoftNet Group. We have been working with SoftNet for many months on a project for a large financial institution in Romania where the vSEC:CMS T-Series was chosen as the smart card management system. SoftNet’s expertise and professionalism was essential to bringing this project to the stage that it is at and we expect many more success stories from this region in the near future.” said Joakim Thorén, CEO, Versatile Security.
