

PRESS RELEASE

Mikael Ramnö Appointed to the Versatile Security Board

Mikael Ramnö has been appointed to the Versatile Security Board of Directors and jump starts projects in the area of business development and partner relationships from day 1.

Stockholm, Sweden, December 20th, 2013 – Versatile Security Sweden AB announces the appointment of Mikael Ramnö to the [board of directors](#).

“Security and identity management are two of the most interesting areas right now in the industry and affect most companies in all areas. Versatile Security provides leading technology in the security segment and with an experienced leadership team, great products and strong partnerships that will create conditions for a very positive development and international expansion over the coming years. It feels very exciting to be an active part of this journey and together with a skilful and driven entrepreneurial team,” said Mikael Ramnö, Board member, Versatile Security.

“It is an honor for me to announce that Mr. Ramnö has joined our board of directors. The company is in a very interesting stage now, where we have proven and popular products, the next step is to make these products available to the full market – that is business development and Mr. Ramnö’s top expertise,” said Joakim Thorén, CEO, Versatile Security.

About Mikael Ramnö

Mikael has a genuine knowledge and background within marketing, sales and channel development in the IT-industry. Mikael has held a number of executive positions at international software companies such as IDG, Sybase and Microsoft and with passion for business development, Mikael has been part of many successful and awarded projects.

Since 2009 Mikael is a partner and owner of Antoma – a consultancy company specialized in driving projects within marketing, channel development and sales. The customers are vendors like Oracle, HP and Ericsson, but also resellers and local consultant companies. Mikael is since 2013 a partner at the venture company Stockholms Affärsänglar, where he is working primarily with start-up companies.

Mikael holds a Bachelor of Science in Business Administration from the University of Stockholm

About Versatile Security

[Versatile Security](#) is a leading IT solutions provider in the identity and access management space with focus on easy deployment of smart cards with innovative smart card management systems. Our customers are organizations that demand high security and ease of use. Our state of the art solutions enable our customers to securely authenticate, issue and manage user credentials, such as smart cards, more cost efficiently than other solutions on the market.

Our mission is to provide solutions that are affordable and easy to integrate, thus allowing organizations of all sizes to implement high levels of security. We also offer first class support, maintenance, and training. Our customers include: HSBC, Tieto, Raiffeisenbank, Hornbach, Daimler, Alstom, European Commission, Svensk Exportkredit, Saudi Aramco and Cleveland Clinic Abu Dhabi.

Our products and services can be bought and delivered worldwide by use of an extensive reseller network and through the Versatile Security web site: <http://versatilesecurity.com>.
