Versasec and Peak Solutions Team Up to Exhibit at It-Sa Conference

Nürnberg, GERMANY, OCT. 4, 2017 – Versasec, the leader in smart card and virtual smart card management systems, is exhibiting its award-winning vSEC:CMS technology at the 2017 IT Security Expo and Congress (it-sa) in Nürnberg, Germany, Oct. 10-12, 2017. Versasec will share a booth with partner Peak Solutions at the Exhibition Centre in Hall 10.0 – booth 10.0-320.

The it-sa conference is one of the leading IT security expos in Europe with more than 580 vendors from 24 countries exhibiting at the show. The vSEC:CMS solution is an innovative, easily integrated and cost-effective Smart Card Management System (SCMS or CMS) that enables easy deployment and management of smart cards within an organization.

For a free ticket to attend IT-SA 2017, visit https://www.it-sa.de/en/visitors/tickets/ticketshop and use ticket code **B383971**.

About Versasec
Versasec is the leading provider of state-of-the-art, highly secure identity and access management solutions. With its flagship product, vSEC:CMS, Versasec eases the deployment of physical and virtual smart cards for enterprises of any size. Versasec's solutions enable its customers to securely authenticate, issue and manage user credentials more cost effectively than other solutions on the market.

Versasec maintains its mission of providing solutions that are affordable and easy to integrate, coupled with first-class support, maintenance, and training. Versasec customers include HSBC, Tieto, Raiffeisenbank, Hornbach, Daimler, Alstom, European Commission, Qualcomm, eBay, Saudi Aramco, IMF, L'Oreal and Cleveland Clinic Abu Dhabi.
